Abstract

This is a simple template for an article written in L^AT_EX.

1 First section

Here goes the text.

$$S = \pi r^2 \tag{1}$$

One can refer to equations like this: see equation (1). One can also refer to sections in the same way: see section 1.1. Or to the bibliography like this: [1].

1.1 Subsection

More text.

1.1.1 Subsubsection

More text.
